Billing Receipt

Hi, jan.

This email confirms that we've received your payment. We also wanted to take a moment to thank you personally.

For our small team, each customer's success means that we're making a difference. If you're learning about how to start or run a better business, it means we're doing something right. Your continued support keeps our product team improving LivePlan, and the computer servers humming. For that, we're extremely grateful!

So thank you again, from our team to yours!
